Subject: Peer reviewer options for USGS data report

Do you have time to talk about potential EPA reviewers for the internal review of the USGS Pavillion data report? We need to respond to the USGS (Dave Mott) with suggestions by Wed., 25 July and I wanted to give everyone a chance to discuss potential options. Does Wed AM work for you around 10 AM EDT (9 CDT, 8 MDT; I'm not available after noon EDT). Let me know your availability and I'll schedule a call.
